

AGENDA

The order of business at each meeting shall normally be set forth in the agenda for the meeting, but it may be changed by general consent or majority vote of the members present. If members of the public are present and wish to speak to given agenda items, the Chairman may reorder the business such that the items are in the order of the number of persons wishing to speak, starting with the one of greatest interest. Priority may also be given to items to which a person who must leave early may wish to speak.

Agenda items are to be received in the Office of the Superintendent at least seven (7) calendar days prior to the meeting. The agenda will be set by the Chairman and Superintendent and delivered to the School Board members prior to the meeting with supporting materials as may be necessary.

An agenda shall be posted in at least two (2) public places warning each Board meeting.
