

POLICY: EBF
(cross reference to JGE & GAMMA)

COMPLIANCE WITH HEALTH, FIRE, AND SAFETY REGULATIONS

It shall be the policy of the School Board to comply with directives and regulations promulgated by federal, state, and local officials concerning the operation and maintenance of school facilities and programs.

The Superintendent or designee shall ensure a plan is in place to accomplish at least an annual review of all new directives and regulations, existing practices and procedures, and other concerns regarding health, fire, and general safety.

ADOPTED: Hanover 28 March 1979

REVISED 2 November 1994
