

DECORATIONS  
(FIRE PREVENTION)

The following are minimum standards for decorations in school buildings:

1. Trees, wreaths and other decorations shall be sprayed with fire retardant material.
2. Trees shall stand in water or wet sand, and shall be kept wet continually.
3. Decorations will be allowed in the school a maximum of five (5) school days.
4. No candles or Christmas lights will be allowed.
5. Trees shall be kept away from all heaters and heat ducts.
6. No exit shall be blocked by decorations.
7. That the hanging of decorations be kept at a minimum.

EFFECTIVE: 30 Novemebr 1970
