## MEDICAL EXAMINATION OF SCHOOL PERSONNEL

All school personnel shall be required to have a pre-employment medical examination by a licensed, qualified physician. The Superintendent may also require additional examinations during the period of employment, as needed, to assure employee capability of performing his/her designated assignment.

Other medical referrals for examination may be offered in order to comply with federal or state guidelines for health and safety.

Coaches, tutors, consultants, interns, student teachers, and substitutes may be exempted from a medical examination.
