

STUDENT, EMPLOYEE, AND VISITOR SAFETY

SAU 70 and its constituents are committed to providing safe conditions for students, employees, and visitors, and to minimizing the environmental, health and safety risks to which they are exposed. Risks must be anticipated and dealt with responsibly, systematically and in advance by all members of the school community. SAU 70 and its constituent districts will comply with all safety laws and regulations, and will establish a risk control program which will include:

1. Development and enforcement of safety and health rules.
2. Compliance with the rules as a condition of employment, subject to established discipline policies.
3. A program of safety and health inspections, to find and eliminate unsafe conditions or practices, and to comply fully with safety and health standards.
4. Training for all employees in good safety and health practices.
5. Prompt investigation of accidents/incidents to determine the cause and prevent a recurrence.
